Dear Parents/Guardians,

This is a reminder to participate in the parent survey supplement of the Illinois 5Essentials Survey. We guarantee that survey responses will never be connected to the identity of you or your child. School reports will only present aggregated information of how parents and students responded as a whole. The parent survey is to be completed by parents or guardians with a student in grades Pre-K through 12th grade. To receive parent data, a school must achieve a response rate of 20 percent from parents.

Teachers and 4th through 12th graders throughout Illinois are taking the teacher and student 5Essential Survey. A 5Essential Report will be generated if a school achieves 50 percent response rate for students and/or a 50 percent response rate for teachers. In May 2023, principals and administrators will be emailed invitations to view their school's online 5Essentials Reports. Summary 5Essentials data will be made available to the public in the fall via the Illinois Report Card Site.

Please visit <https://survey.5-essentials.org/illinois> to take the parent survey. You can also find a link on our website www.queenbee16.org. The survey will open on January 24, 2023 and closes on March 31, 2023. If you have any questions about the survey, please contact 5Essentials Customer Support at 1-866-440-1874 or impact-surveys@uchicago.edu.

Sincerely,

A handwritten signature in blue ink that reads 'Joseph R. Williams'. The signature is fluid and cursive, with the first name 'Joseph' and last name 'Williams' clearly legible.
